Traffic Unit:

Refer to the following data regarding traffic related incidents for the month of February:

Fatal Traffic Collisions	Injury Traffic Collisions	Non-Injury Traffic Collisions	Hazardous Citations Issued	Other Citations Issued
0	7	29	51	113

Areas of Focus:

Throughout the month of February the Traffic Unit conducted concentrated traffic enforcement on cell phone violations. Motorists who were witnessed using their cellular device while driving were briefly stopped/detained and issued a warning or a citation. Remember to always use a cell phone in a hands free setting and never text and drive.

Unattended vehicles (semi-tractor trailers) left in excess of 72 hours were issued citations and subsequently towed from the 600 block of S. Lexington Street and the 1000 block of Browning Road.

High Visibility Enforcement:

Officers will conduct high visibility enforcement (HVE) throughout the holiday weekend of St. Patrick's Day (March 14 – 17). High visibility enforcement is a proven method to deter and mitigate the poor choices of driving while intoxicated.

California Teen Driver Safety Week:

According to recent data from the National Highway Traffic Safety Administration (NHTSA), crashes are still the leading cause of teen deaths. Throughout the week of April 1 – 7 the Traffic Unit will conduct education through social media on the risks of teen driving (i.e. drunk driving & drugs, speeding, not wearing seat belts, etc.).

Special Operations:

None at this time.
